

Technical Data Sheet

Bondloc Grease Monkey Hand Wipes

PRODUCT DESCRIPTION

Grease Monkey Hand Wipes are an industrial anti-bac, 50gsm mono-coated fabric with self-scrubbing action containing aloe Vera.

APPLICATIONS

Grease Monkey Hand Wipes can be used to clean paint, adhesives, oil, grease, sealants, silicone and foam from hands, tools and surfaces. Ideal for the workshop, office home or on the move.

Paint

Removes oil and water based paints. Effective up to 24 hours after application. To assist removal of dried paint, place wipe on spill for a few minutes to soften the paint.

Adhesive

Removes sealant, silicone, acrylic, fillers, expanding foam, epoxy stains, rubber cement and label deposits.

Oil based stains

Removes oil, grease and ink.

General Cleaning

Ideal for stain and grease removal from most work surfaces. Will refresh and clean old paint and sealant.

INSTRUCTIONS FOR USE

Screw off cover lid, pierce foil sleeve. Thread first wipe from the centre of the roll through the slot in the lid. Take wipes as required. Always test on an inconspicuous area before use, not suitable for some plastics, delicate surfaces and fabrics.

STORAGE

Always reseal lid after use and store at room temperature.

HEALTH & SAFETY

This technical information sheet does not constitute a Safety Data Sheet (SDS). Before using this product ensure you have read and fully understood this products SDS

PACKAGING FORMAT

Pack Size - 80 wipes per tub
Wipe Size – 20cm x 24cm

PRODUCT DISCLAIMER

Bondloc offers this Technical Data Sheet ("TDS") for descriptive and informational use only. It is not a warranty, a contract or a substitute for expert or professional advice. Please also see the local product Safety Data Sheet for health and safety considerations. The statements, technical information, data, and recommendations contained in this TDS are provided 'AS IS' and are not warranted or guaranteed in any way. They represent typical results for the products and are based on Bondloc's research only. Since the conditions and methods of use of the products are beyond our control, Bondloc expressly disclaims any and all liability and damages of whatever kind or nature that may arise from any use of the products, the results therefrom, or reliance on the information contained herein. This TDS is one of several tools that may be used to help you find the product best suited for your needs. It is used at your own risk, and by using it, you are knowingly accepting and assuming any and all risks associated with its use and recommendations. BUYERS AND USERS ASSUME ALL RESPONSIBILITY AND LIABILITY FOR ANY AND ALL LOSS OR DAMAGE OF WHATEVER KIND OR NATURE ARISING FROM OR RELATED TO THE HANDLING OR USE OF BONDLOC'S PRODUCTS. The performance of the product, its shelf life, and application characteristics will depend on many variables, including but not limited to the kind of materials to which the product will be applied, the environment in which the product is stored and/or applied, and the equipment used for the application, among other things. Any change in any of these variables can affect the product's performance. You are responsible to test the suitability of any product in advance for any intended use or application. Bondloc does not guarantee the reliability, completeness, use, or function of the statements, technical information, data, and recommendations contained in this TDS.
